

 <p>رأس الخيمة العقارية RAK PROPERTIES</p>	ENVIRONMENT MANAGEMENT POLICY STATEMENT	Doc. ID. RAKP-EM-01
		Version No. 00
		Effective Date: Approval Date

RAK Properties PJSC (RAKP) is committed to managing services as an integral part of all of its sustainable business activities. The policy will communicate our commitment to employees, as well as to all vendors and contractors performing work on behalf of RAK Properties, to bear a personal responsibility for the following objectives:

Compliance

- Meet or exceed all applicable environmental requirements for all activities, products, and services, including legal & other requirements, standards, and voluntary commitments to which RAK Properties subscribes.

Prevention of Pollution

- Use sustainable business practices and processes that minimize waste, conserve energy, prevent pollution, and proper disposal of waste.

Environmental Leadership

- Conserve natural resources by developing products or services that minimize materials usage, use recycled and environmentally preferable materials, and maximize reuse and recycling opportunities at the end of the product's life.
- Develop and market products or services that are energy efficient and that minimize their impact on the environment.
- Be an environmentally responsible neighbour in the communities where we operate and act promptly and responsibly to correct conditions that may endanger health, safety, or the environment.
- RAK Properties Management will set the objectives and targets and review their achievements on regular basis as their commitment to sustainable growth.

Continual Improvement

- Strive to continually improve RAK Properties environmental management system and performance.

Every employee, vendor and contractor working on behalf of RAK Properties shall comply with this policy and ensure that their own work is carried out with minimum risk to the environment. RAKP strategies, policies, objectives, targets and programme(s) shall support this commitment to environmental matters.
